Respective responsibilities of the body and the auditor

This smaller authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The smaller authority prepares an annual return in accordance with proper practices which:

- summarises the accounting records for the year ended 31 March 2016; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

Our responsibility is to review the annual return in accordance with guidance issued by the National Audit Office (NAO) on behalf of the Comptroller and Auditor General (see note below). Our work does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and does not provide the same level of assurance that such an audit would do.

External auditor report (ACHU0270)

Except for the matters reported below, on the basis of our review of the annual return, in our opinion the information in the annual return is in accordance with proper practices and no matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

The Annual Return has not been signed in accordance with the Accounts and Audit Regulations 2015:

- Section 2 was signed before Section 1.

Other matters not affecting our opinion which we draw to the attention of the smaller authority:

The Annual Return was not accurately completed before submission for review. Please ensure that amendments are corrected in the prior year comparatives when submitting next year's Annual Return:

- The Board has not restated the prior year figures in Boxes 2 and 3, as reported in our prior year External Auditor Report
- We noted that the bank reconciliation incorrectly includes debtors and has done for at least the previous 2 years. Adjustments are required to correctly restate Boxes 1/3/7/8 to account for debtors on a cash basis

The correct figures after adjusting for both of these issues should be as follows:

Box	1	2	3	4	5	6	7	8	9	10
2014/15 £	140,452	140,931	56,387	0	0	163,756	174,014	174,014	0	0
2015/16 £	174,014	148,593	49,222	0	0	156,145	215,684	215,684	0	0

We note that one of the balances given in the year end bank reconciliation was confirmed as at 5/2/16 and the other as at 24/3/16 and not as at the year end date. Please ensure that year end bank statements are obtained and used in future.
